### **Ring wants to help reduce crime and increase safety in Orange County Florida**

Ring is excited to propose a solution to the Orange County Sheriff's Office (Agency) to help reduce crime and assist with investigations in your community.

#### **Program Description**

This program will provide Orange County Sheriff access to the Ring Neighborhoods platform to communicate with Ring Neighbors, view Neighbor supplied video, determine general camera density/location and encourage community engagement as we work together to make Orange County neighborhoods safer.

- The Ring Neighborhoods platform is a digital neighborhood watch that both law enforcement and the public can access free of charge by downloading the Ring mobile app (iOS and Android).
- The app allows Ring Neighbors to share and comment on real time crime and safety events in their neighborhood. There are nearly 30,000 Orange County residents using the app.
- As part of the program, Orange County Sheriff may:
  - Utilize the critical crime and safety events that are posted in the app by neighbors to assist in law enforcement operations and investigations; and
  - Post information relating to critical incidents and other incidents in the app to keep neighbors informed regarding issues in their neighborhoods.

#### **Responsibilities**

##### **Ring Will:**

- Make the Ring Neighborhoods portal available to Orange County Sheriff, free of charge, including support and training for Orange County Sheriff employees.

##### **Orange County Sheriff will:**

- Maintain appropriate access controls for Orange County Sheriff personnel to use the Ring Neighborhood Police portal.
- Make public data related to Orange County Sheriff incidents/call logs available to Ring on a mutually agreed upon basis.

#### **Term**

Orange County Sheriff's participation in the program shall commence upon Orange County Sheriff's acceptance of these program terms. Either party may terminate Orange County Sheriff's participation in the program at any time upon providing written notice to the other party. The Ring Neighborhoods Portal will be available to Orange County Sheriff by April 23<sup>rd</sup>, 2018.

#### **Privacy and Terms of Use**

Ring will not provide any customer personal information, including video footage, to Orange County Sheriff without the prior consent of the owner. Orange County Sheriff agrees not to use the Ring Neighborhoods Police Portal other than as expressly authorized by Ring and other than in connection with bona fide Orange County

Sheriff's work. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Ring app and Neighborhoods Police Portal.

**Compensation**

At no point shall either party receive compensation from each other as a result of this program.
